With the announcement of two agreements between my client, Hunter Biden, and the United States Attorney's Office for the District of Delaware, it is my understanding that the five-year investigation into Hunter is resolved. Hunter will take responsibility for two instances of misdemeanor failure to file tax payments when due pursuant to a plea agreement. A firearm charge, which will be subject to a pretrial diversion agreement and will not be the subject of the plea agreement, will also be filed by the Government. I know Hunter believes it is important to take responsibility for these mistakes he made during a period of turmoil and addiction in his life. He looks forward to continuing his recovery and moving forward.

Just a couple of revisions to make clear that we want IAs and want 1 proceeding.

Also – we just got a press call.

Best,
